We Pay Our Own Way

There are many A.A. conventions held around the world with Al-Anon and Alateen participation by invitation. One of the most common misconceptions is that conventions are A.A. meetings. Conventions are special events which require a substantial amount of funding, not regular meetings. This convention is self-supporting. No group money is used to pay for this event. The cost of this convention is paid through your registration fees. No baskets are passed. Attendance is voluntary and as responsible A.A., Al-Anon, and Alateen members, **we pay our own way!**
